# Scientific Publications

---

Academicans and students can be realized and implemented through academic scientific journals issued by the FSS. Each institute is represented by at least one journal. Journals at the Faculty are published mainly in English. Overview of publishing activities of workers FSS is published on the following website.

[Publishing activities FSS](#) - this site contains results from the 1991-2012 period only. For the results from the year 2012 onwards you should consult the OBD Public site [here](#) .
